

**CANDIDATE'S STATEMENT FOR
THIRD MEMBER
ACERA BOARD OF TRUSTEES**

DIANE LYLES
General Member

Hello,

My name is Dianne Lyles. I am currently employed as a Nurse Practitioner with Alameda County Medical Center. I have worked for APMC as a full time employee for ten years. I worked previously for Alameda County in Public Health and other Clinical positions. My employment with Alameda County in general is over twenty-five years.

My goal as a Board Member with ACERA is to represent the General Membership in a manner, which will help to improve, maintain and protect the current and future assets of ACERA. Most importantly, I would like to see a better communication and strategic program for members of ACERA to access information regarding their retirement futures.

I have a background in the Financial Planning arena and knowledge of Fiduciary Programs.

I have been endorsed by SEIU 1021 and the general membership.

I look forward to serving my fellow members and I greatly appreciate the confidence and support.

Thank you
