

Do your clients have difficulty **seeing** or **hearing** on their smartphone?

Contact us to schedule a **FREE online training** to help make their smartphone work better for them!

They can learn how to:

- Make their smartphone louder and easier to hear
- Send or receive text messages
- Connect Bluetooth devices
- Operate the basic functions of their smartphone...and much more!

This is a two-part online training. Participants will need a computer, internet service and a valid email address.
