- The Board's primary goals in managing the Fund are:
  - (1) To insure that sufficient funds are available to pay vested benefits and maintain supplemental benefits,
  - (2) to comply with all applicable fiduciary standards, and
  - (3) to add marginal value that will help reduce the costs of the plan and/or to increase benefits for the beneficiaries.
- The Fund is governed by the Retirement Board and its investment policies. Day-to-day administration of the Fund is provided by ACERA's Investment Department.
