5. SACRS Legislative Committee Report – Action Item

Eric Stern, Sacramento CERS and Dave Nelsen, Alameda CERA, SACRS Legislative Committee Co-Chairs

A. Legislative Committee Report

B. Proposed 2024-2025 SACRS Legislation

Discussion: Eric Stern provided a verbal review of the legislative report. He noted that newly elected Assembly and Senate members are getting sworn in and assigned to committees.

Processes within the Legislative Committee have been reviewed and an updated charter will be submitted to the Board of Directors in January.

An *all-call* to the Retirement System members for clean-up language to the CERL was requested, the language will be placed into a CERL omnibus bill/committee bill.

The following proposed amendments to the CERL correct drafting omissions following the implementation of PEPPRA in 2013:

- Three-Year Final Compensation (Government Code Section 31462.05): This amendment clarifies how the three-year final compensation period is calculated when a member has less than 36 months of service, consistent with similar sections of law.
- Safety Designation (Government Code Section 31470.14): This amendment clarifies that service for miscellaneous positions that are converted to safety positions after January 1, 2013, cannot be retroactively enhanced.

During the report, open discussion item was brought up by Orange CERS Trustee Chris Prevatt on AB 2284 (Grayson) and SACRS opposition to the bill. Trustee Prevatt asked the Board and Eric about the letter of opposition that was sent to the Governor's office. He noted that at the time the letter was sent six systems supported the opposition, however at the time of the conference the bill had less than half of the organization's systems support. Orange CERS submitted a letter of support that was contradictory of the SACRS opposition letter.

Eric Stern noted that the Board of Directors made the final decision to oppose the legislation, per the Bylaws of the association, the Board of Directors represents the

systems on behalf of SACRS. According to the guidelines of the Legislative Committee Charter letters of support or opposition do not need to be unanimous. A question was posed asking if all the systems are represented on the Legislative Committee? Eric provided information that there are 13 members on the committee that are appointed by the Board of Directors.

President MacDonald stated that he opposed supporting the opposition to the legislation. That in discussions at the Board level, there was one abstention when they took the item up at the Board of Directors meeting in March. Even though he opposed the action, MacDonald as President of the Association, accepted his duty to sign the letter of opposition to AB 2284. MacDonald noted that the Board of Directors needs feedback in input from the Systems to ensure that SACRS does accurately represent all members. President MacDonald also mentioned that the Board does seek to obtain feedback from the systems to represent all concerns impacting legislation.

Vice President Adele Lopez Tagaloa mentioned that the item was a well debated topic. The vote was based on “who does SACRS represent as a whole” concept.

Motion: A motion to accept the legislative report and the proposed 2024-2025 CERL clean-up legislation was made by Los Angeles CERA.

2nd: San Diego

Yes: All

No: 0

Motion passes

12. SACRS Fall Conference Breakout Reports – No Action

A representative from each breakout will give a verbal report on their meetings. No printed materials for this item.

- A. Administrators
18 CERL systems participated in the breakout, great attendance.
Topics discussed – staffing challenges, compliance issues, communication efforts, legislation, and litigation.
Next moderator- Renee Ostrander, San Joaquin CERA.
- B. Affiliates
Sean Gannon reported that they had a Family Feud format for their breakout. Great panel that was very giving of their time. Last Spring it was based on “Shark Tank,” the art of a great elevator pitch. Very straightforward business-like pitch, to modeling a SNL skit.
- C. Attorneys
Shoutout to Sulema and team for getting MCLE accreditation for SACRS trainings going forward. Attorney’s breakout went over in time because the discussion was so interesting and well presented. Did not get a volunteer for next session, and as much as Aaron loves his SACRS family, he is not going to be able to do it again. Board recognizes that they will solicit for another attorney volunteer for the Spring.
- D. Disability/ Operations & Benefits
Carlos Barrios reported that they had two presentations and breakout during their session. One discussion included AI is used to process data and analyze data, how that will impact processes in the future. Legal Splits – difference between systems that have already adopted Article 8.4 for splitting and those that have not. Moderator – Patti Montoya, Fresno CERA and Carlos Barrios, Alameda CERA will moderate in the Spring.
- E. Internal Auditors
No report
- F. Investment Officers
Sulema reported that the investment officers will send their own email around to look for a volunteer for Spring. Sulema encouraged all the systems to promote their CIO’s’ to attend and participate.
- G. Safety Trustees
Skip Murphy reported that the breakout had 22 participants, including *Myra*, a peer support dog. They entertained a round table format; everyone had an opportunity to share what is happening in their respective Systems. The group also discussed their local Board of Supervisors elections, the LACERA case that is up for appeal, and relevant labor issues. Skip will continue to serve as moderator for Spring 2025.

H. General Trustees

Rhonda Biesemeier reported that they chose a different process for this conference for the breakout style in the Trustees session. They first went to the Affiliates *Family Feud*, then to their own Trustee Breakout. Had great speakers, Michael Troncoso of Robbins Geller Rudman and Dowd LLP. Rhonda reported that it was one of the best Trustee breakouts that she has participated in and attended. The breakout had more than 40 trustees present and actively engaged.

Adele Lopez Tagaloa, SACRS Program Committee Chair, recommended that Rhonda continue as moderator in Spring 2025, Rhonda accepted the call.

Roundtable

Bob Goodchild was given the floor to make an announcement, he asked that the audience give recognition to Vivian Gray, SACRS Past President and Los Angeles CERA Trustee and Chris Prevatt, Orange CERS Trustee, on their upcoming retirements. He noted that both Vivian and Chris should be applauded for their continued years of service to their Systems and dedication to the SACRS community. Congratulations to each on their retirement.

President MacDonald thanked Vivian for encouraging him to raise his hand to serve on the Board of Directors and thanked Trustee Gray for her service.

RE: **Legislative Update – April 2025**

With just under four months remaining in the 2025-26 Legislative Session, both Houses of the Legislature are fully engaged with budget and policy committees. Legislatively, we have successfully met the first two key deadlines: bill introduction and the substantive language deadline. The latter refers to the hundreds of bills introduced as "spot" or "intent" bills, which have had their language amended sufficiently to be referred to policy committees. The next major deadline is the May 2nd House of Origin deadline where all bills must pass through their respective policy committees in the first house. Meanwhile, budget subcommittees continue to review and consider budget items in anticipation of the Governor's May Revision. The budget outlook remains uncertain due to the loss, or potential loss, of critical federal funding and programs, in addition to ongoing recovery efforts in Los Angeles following the wildfires.

In an effort to strengthen SACRS' relationships with key legislators and stakeholders, the SACRS lobbying team and SACRS Legislative Committee Chair have met with Senate Labor, Public Employment, and Retirement Chair Senator Lola Smallwood-Cuevas, Assembly Public Employment and Retirement Chair Tina McKinnor, and Assemblymember Stephanie Nguyen, a member of the Committee. The SACRS lobbying team has also engaged with representatives from CSAC and the California Professional Firefighters on various legislative matters. These meetings will continue to advance SACRS' expertise and visibility in the Capitol and with our partners.

SACRS is tracking the following bills:

Legislation:

- **ACA 2 (Jackson)** –seeks to reinstate retirement for State Legislators. ACA 2 would establish a retirement system specifically for legislators elected or serving from November 1, 2010 onward. To qualify, legislators would be required to serve at least 10 years. If their service is less than 10 years, legislators could transfer their accumulated service credits to another public pension or retirement system they are a part of. Status: Status: This bill has yet to be referred to a policy committee.
- **AB 259 (Rubio)** –would remove the 2026 sunset on existing laws governing teleconferencing procedures for public meetings. This bill is sponsored the CA

Special District's Association (CSDA). Status: This bill will be heard in the Assembly Local Government Committee on 4/9.

- **AB 339 (Ortega)** – would require the governing body of a public agency to give a recognized employee organization no less than 120 days' written notice before issuing a request for proposals, request for quotes, or renewing or extending an existing contract to perform services that are within the scope of work of the job classifications represented by the recognized employee organization. Status: This bill passed out of the Assembly PERS Committee on 3/17 and has been referred to the Assembly Appropriations Committee.
- **AB 340 (Ahrens)** – would establish an employee-union representative privilege in the context of California public employment. Specifically, the bill would prohibit a public agency employer from questioning any employee or employee representative regarding communications made in confidence between an employee and an employee representative in connection with representation relating to any matter within the scope of the recognized employee organization's representation. Status: This bill passed out of the Assembly PERS Committee on 3/19 and has been referred to the Assembly Appropriations Committee.
- **AB 409 (Arambula)** – would delete the 2026 sunset on existing laws governing teleconferencing procedures for California Community College student body associations and student-run community college organizations. Status: This bill will be heard in the Assembly Local Government Committee on 4/9.
- **AB 467 (Fong)** – extends the sunset date from 2026 to 2031 for teleconferencing procedures for neighborhood councils, defined as an advisory body with the purpose to promote more citizen participation in government and make government more responsive to local needs that is established pursuant to the charter of a city with a population of more than 3,000,000 people that is subject to the Brown Act. Status: This bill will be heard in the Assembly Local Government Committee on 4/9.

- **AB 569 (Stefani)** – This bill would authorize a public employer to bargain over contributions for supplemental retirement benefits administered by, or on behalf of, an exclusive bargaining representative of one or more of the public employer's bargaining units. Status: This bill has been referred to the Assembly PERS Committee.
- **AB 814 (Schiavo)**– This bill excludes from gross income, under the Personal Income Tax (PIT) Law, peace officer retirement pay and amounts received by the beneficiary of an annuity plan set up for the surviving spouse or dependent of a person that lost their life in services as a peace officer. Status: This bill passed out of the Assembly Revenue and Taxation Committee on 3/21 and has been referred to the Assembly Appropriations Committee.
- **AB 1054 (Gipson)** – This bill would establish the Deferred Retirement Option Program as a voluntary program within PERS for employees of State Bargaining Units 5 (Highway Patrol) and 8 (Firefighters). The bill would require these state bargaining units to bargain with the Department of Human Resources to implement the program. The bill would also require the program to result in a cost savings or be cost neutral. The bill would further require the department to work with the board of PERS to develop the program. Status: This bill has been referred to the Assembly PERS Committee.
- **AB 1067 (Quirk-Silva)** - This bill would require a public employer that is investigating a public employee for misconduct, to continue the investigation even if the public employee retires while under investigation. The bill would require a public employer, if the investigation indicates that the public employee may have committed a crime, to refer the matter to the appropriate law enforcement agency. Under the bill, if a felony conviction results arising out of any conduct arising out of or in the performance of the public employee's official duties, the public employee would forfeit all accrued rights and benefits in any public retirement system. Status: This bill has not yet been referred to a policy committee.
- **AB 1323 (Chen)** – This bill would authorize an increased compensation rate from \$100 to not more than \$320 per meeting for members of the Orange County Retirement Board. Status: This bill has been referred to the Assembly PERS Committee.

- **AB 1383 (McKinnor)** – This bill, on and after January 1, 2026, would require a retirement system to adjust pensionable compensation limits to be consistent with a defined benefit limitation established and annually adjusted under federal law with respect to tax exempt qualified trusts. Status: This bill has been referred to the Assembly PERS Committee.
- **AB 1439 (Garcia)** – This bill would prohibit the board of a public pension or retirement system from making any additional or new investments of public employee pension or retirement funds in development projects in California or providing financing for those projects with public employee pension or retirement funds unless those projects include labor standards protections. The bill would provide that a board is not required to take action pursuant to this provision unless it determines in good faith that the action is consistent with the board’s fiduciary responsibilities established in the California Constitution. Status: This bill has been referred to the Assembly PERS Committee.
- **SB 239 (Arreguín)** – allows flexibility for remote meetings of local advisory bodies (“subsidiary bodies” in the language of the bill). Specifically, this bill would allow a subsidiary body of a local agency to teleconference their meetings without having to publicly notice or make all locations publicly available. This bill is nearly identical to last year’s AB 817, which stalled in the Senate Local Government Committee. Status: The bill will be heard in the Senate Local Government Committee on 4/2.
- **SB 301 (Grayson)** – This bill, beginning on or after January 1, 2026, would prohibit a city or district that contracts with a retirement system under CERL from amending their contract with the system in a manner that provides for the exclusion of some, but not all, employees. Status: This bill is awaiting Committee referral.
- **SB 443 (Rubio)** - This bill would also authorize a joint powers authority (JPA) to offer defined benefit plans or formulas to a member agency that is a non-founding member of the Joint Powers Authority, for employees who are not new members under PEPRa and are employed by the joint powers authority within 180 days of the agency becoming a member agency. Status: This bill

passed out of the Senate PERS Committee and has now been referred to the Senate Appropriations Committee.

- **SB 707 (Durazo)** - This bill would require a city council or a county board of supervisors to comply with additional open meeting requirements, including that all open and public meetings include an opportunity for members of the public to attend via a two-way telephonic option or a two-way audiovisual platform, require agendas to be provided in English and in all other languages spoken jointly by 20% or more of the population in the county, revise and recast alternative teleconferencing provisions for local meetings to uniformly apply certain noticing, accessibility, and public commenting provisions. Status: This bill has been set for hearing on 4/2 in the Senate Local Government Committee.
- **SB 827 (Gonzalez)** - This bill would expand which local agency officials are required to complete ethics training to include any managerial-level employee with responsibility over the agency's finances and would instead require officials who commence service on or after January 1, 2026, to receive their initial training within 6 months of commencing service. The bill would require additional training for local agency officials if the agency provides compensation for legislative bodies. Status: This bill is awaiting referral to a policy committee.

FACT SHEET

SB 853 (Committee on Labor, Public Employment and Retirement)

Public Retirement Systems' Omnibus Housekeeping Bill

PURPOSE

SB 853 makes technical, conforming, or non-controversial changes to retirement system-related statutes administered respectively by the California State Teachers' Retirement System (CalSTRS), the California Public Employees' Retirement System (CalPERS), and the 37 Act county employees retirement systems represented by the State Association of County Retirement Systems (SACRS).

BACKGROUND

The Teachers' Retirement Law (TRL) in the Education Code, the Public Employees' Retirement Law (PERL), and the County Employees Retirement Law (CERL/ 37 Act) in the Government Code contain provisions administering public pension systems that provide retirement benefits for most California public employees.

- CalSTRS plans cover certificated school employees;
- CalPERS plans cover state employees, classified school employees, and local public agency employees.
- Twenty independent county retirement associations represented by SACRS administer defined pension benefits for county and district employees in their respective counties pursuant to the 1937 Act.

Current provisions of the TRL, PERL, and CERL contain obsolete, ambiguous, or erroneous citations or cross-references that this bill will update to conform to recent changes in state law.

NEED FOR THE BILL

This bill is necessary to make various technical, conforming, and minor changes to the Education and Government codes necessary for the efficient administration of the state's public retirement systems.

THIS BILL

SB 853 provides the following:

Provisions related to CalSTRS:

- Clarifies that CalSTRS PEPPRA members' "annual pay rate" is salary, as defined, that the member could earn from *each* position the member holds during the school term, not from only one position the member holds during the term.
- States explicitly that the CalSTRS board has final authority for determining who is an employer for purposes of CalSTRS programs and whom the board may admit into CalSTRS membership; authority that constitutional and other statutory constructions already provide.
- Makes technical changes to a program that allows CalSTRS members who have reduced workloads to earn full year service credit by measuring earnings of annualized pay rates instead of days or hours worked to conform with recent changes related to defining creditable compensation.
- Clarifies that specified transfers or payments from the General Fund to the Teachers' Retirement Fund that fall on a weekend or holiday shall be transferred the next business day.
- Provides that CalSTRS may exercise its subrogation rights related to recovery of disability payments from third parties in any California superior court where venue would be proper or the Superior Court of Sacramento.

Provisions related to CalPERS:

- Adds clarifying language referencing pensionable compensation in various sections to conform to PEPPRA.

Provisions related to CERL county systems:

- Clarifies that for members subject to PEPPRA, the retirement association shall compute absences using the member's pensionable compensation at the beginning of the member's absence.

- Clarifies that where a member's service through reclassification, has been converted from general to safety member service, service converted after PEPRA's effective date is subject to PEPRA's prohibition of retroactive benefits. Thus, clarifies that conversion shall apply only to service after the operative date of the reclassification and not to all prior service.
- Clarifies how CERL employers should report retired annuitants to their retirement association.

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statement State Association of County Retirement Systems (SACRS) which comprise the statement of cash receipts and disbursements for the fiscal years ended June 30, 2024 and 2023, and the related notes to the financial statement.

In our opinion, the accompanying statement of cash receipts and disbursements present fairly, in all material respects, the financial position of State Association of County Retirement Systems as of June 30, 2024 and 2023 in accordance with the cash basis of accounting described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of State Association of County Retirement Systems, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibility of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 1, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the statement of cash receipts and disbursements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about State Association of County Retirement Systems' ability to continue as a going concern for a period of at least twelve months from the date of the statement of cash receipts and disbursements.

Auditor's Responsibilities for the Audit of the statement of cash receipts and disbursements

Our objectives are to obtain reasonable assurance about whether the statement of cash receipts and disbursements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these statement of cash receipts and disbursements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the statement of cash receipts and disbursements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of State Association of County Retirement Systems' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the statement of cash receipts and disbursements
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about State Association of County Retirement Systems' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Information

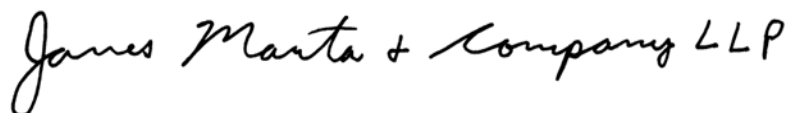

Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, Graphical Presentation of Cash Disbursements, and Conference Summary Report, on pages 8 to 13, are presented for purposes of additional analysis and are not a required part of the financial statement.

The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 8 to 12, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 8 to 12 is fairly stated in all material respects in relation to the financial statement as a whole.

The Conference Summary Report, on page 13, has not been subjected to the auditing procedures applied in the audit of the basic financial statement, and accordingly, we do not express an opinion or provide any assurance on it.

Restricted Use

This report is intended solely for the information and use of management and the board of directors of State Association of County Retirement Systems and is not intended to be and should not be used by anyone other than these specified parties.

STATE ASSOCIATION OF COUNTY RETIREMENT SYSTEMS

NOTES TO THE FINANCIAL STATEMENT

FOR THE FISCAL YEARS ENDED JUNE 30, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. ORGANIZATION

State Association of County Retirement Systems (SACRS) is a not-for-profit association of 20 California county retirement systems, enacted under the County Employees Retirement Law of 1937. SACRS was formed in the early 1970's to provide forums for disseminating knowledge of, and developing expertise in, the operation of county retirement systems existing under current law, as well as to foster and take an active role in the legislative process. To accomplish SACRS' mission of addressing issues of importance to members, SACRS, contracting with Sulema Peterson & Associates, provides a variety of association management services, including three magazines a year, membership directory, semi-annual conferences, and oversight of SACRS.org. The Association is supported primarily through membership dues and conference fees.

B. BASIS OF ACCOUNTING

The accompanying financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Under that basis, the only assets recognized are cash and investments, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash basis differs from generally accepted accounting principles primarily because the effects of outstanding dues and obligations for assessments unpaid at the date of the financial statement are not included in the financial statement.

The Board of Directors has elected to use the cash basis of accounting for this entity given the nature of its receipts and disbursements: revenue is almost always received and earned in the same period (e.g. at the beginning of the year for annual memberships, and shortly prior to events for conference attendance) and most expenses are incurred evenly over the year, with the exception of the billing for the conference hotel expense. Financial results by conference are presented in the Conference Summary Report in the Supplementary Information section of this document.

C. INCOME TAXES

The Association is exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code and Section 23701f of the California Revenue and Taxation Code.

D. CONTRACTUAL AGREEMENTS

The Association has entered into various contractual agreements for professional services. These agreements include compensation for services rendered to the Association.

E. COMPARATIVE DATA

Comparative data for the prior year have been presented in certain sections of the accompanying financial statement in order to provide an understanding of changes in the Association's financial position and operations.

STATE ASSOCIATION OF COUNTY RETIREMENT SYSTEMS

NOTES TO THE FINANCIAL STATEMENT

FOR THE FISCAL YEARS ENDED JUNE 30, 2024 AND 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. COMPARATIVE DATA (CONTINUED)

Since SACRS uses the cash basis of accounting, the timing of events and the ultimate settlement of bills may vary from year to year. For example; the Spring conference costs could be settled by June (by year end) or be extended into the subsequent year. Also the timing of events could affect when payments are made from year to year. Payments after year end will be paid out of the surplus generated out of the prior year conference receipts. So the surplus cash at year end may have future demands for prior expenses. Management prepares a conference summary report that reconciles these payments when settled; this report is presented as supplementary information.

2. CASH AND INVESTMENTS

Cash and Cash Equivalents

SACRS considers short-term highly liquid investments to be cash equivalents provided that they are both readily convertible to cash and had an original maturity of three months or less when purchased. The balance in cash and cash equivalents at June 30 include:

	2024	2023
Bank accounts	\$ 67,302	\$ (166,975)
Money market accounts	541,708	833,519
Total cash and cash equivalents	<u>\$ 609,010</u>	<u>\$ 666,544</u>

Cash in bank accounts at June 30, 2024 consisted of the following:

	First Foundation	Bank of America	Total
Per bank	\$ 71,878	\$ 6,647	\$ 78,525
Checks outstanding	(11,223)	-	(11,223)
Total bank accounts	<u>\$ 60,655</u>	<u>6,647</u>	<u>\$ 67,302</u>

Cash in bank accounts at June 30, 2023 consisted of the following:

	First Foundation	Bank of America	Total
Per bank	\$ 136,739	\$ 46,674	\$ 183,413
Checks outstanding	(350,388)	-	(350,388)
Total bank accounts	<u>\$ (213,649)</u>	<u>46,674</u>	<u>\$ (166,975)</u>

Cash balances on interest-bearing accounts held in banks are insured up to \$250,000 by the Federal Depository Insurance Corporation (FDIC). There were \$0 in excess of FDIC coverage as of June 30, 2024 and 2023, respectively. Money market accounts are not insured.

2. CASH AND INVESTMENTS (Continued)

Investments

In March 2015, SACRS invested in the CalTRUST Medium-Term Fund (the “Fund”), depositing \$1,104,130. The fair value balance as of June 30, 2024 and 2023 presented in the financial statement is \$302,810 and \$600,110; respectively. SACRS made a \$322,000 redemption for the year ended June 30, 2024. The current portion of the investment account represents underlying securities which are immediately redeemable (e.g. equities), or will mature within one year. The CalTRUST Short-Term Fund was \$9,037 and \$8,559 as of June 30, 2024 and 2023, respectively. The Fund is not rated or insured.

3. CONTRACTS

SACRS has entered into contracts with various hotels to reserve facilities and guest rooms for its upcoming conferences and events. Cancellation fees associated with these contracts vary by date of notice. All hotel contracts specify the total number of guest room nights reserved at a group rate. If guest nights attributed to the convention fall below a specified minimum, SACRS is obligated to pay a room attrition rate for every guest night below the contracted minimum; standard room rates exceed the attrition rate. The organization is also responsible for food and beverage minimums as specified below. Hotel contracts entered into as of the audit date are summarized here:

Conference	Cancellation Fees	Food and Beverage Minimums	Guest Room Nights Reserved	Guest Room Nights Minimum	Rooms Attrition
Spring 2024	\$40,672-\$81,345	\$170,000	255	255	\$319 plus tax

Fall 2026	\$141,608-\$370,716	\$175,000	1185	948	\$239 plus tax

4. DONATED SERVICES

Directors and officers have made a significant contribution of their time to develop the organization and its programs. No amounts have been recognized in the accompanying statement of cash receipts and disbursements as no cash changed hands as a result of the donated services.

5. SUBSEQUENT EVENTS

SACRS’ management has evaluated subsequent events through March 11, 2025, the date which the financial statement was issued. Management is not aware of any subsequent events that would require recognition or disclosure in the financial statement.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING
INDEPENDENT AUDITOR'S REPORT

Board of Directors
State Association of County Retirement Systems
Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of State Association of County Retirement Systems (SACRS), as of and for the years ended June 30, 2024 and 2023 the related notes to the financial statement, which collectively comprise the State Association of County Retirement Systems' basic financial statement, and have issued our report thereon dated March 11, 2025.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered SACRS' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control. This report is an integral part of an audit performed in accordance with auditing standards generally accepted in the United States of America in considering the entity's internal control. Accordingly, this communication is not suitable for any other purpose.

**COMMUNICATION WITH THOSE CHARGED
WITH GOVERNANCE**

Board of Directors
State Association of County Retirement Systems
Sacramento, California

We have audited the financial statement of the State Association of County Retirement Systems (SACRS) for years ended June 30, 2024 and 2023, and have issued our report thereon dated March 11, 2025. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated July 7, 2022, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 1 to the financial statement. Our audit of the financial statement does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statement is free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of SACRS solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our report on internal control over financial reporting in a separate letter to you dated March 11, 2025.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

We follow the AICPA Ethics Standard Rule 201C, in conjunction with this, we annually review with all engagement staff potential conflicts and obtain a conflict certification. In addition, we inquire on each engagement about potential conflicts with staff. We have not identified any relationships or other matters that in the auditor's judgment may be reasonably thought to bear on independence.

Significant Risks Identified

We have identified the following significant risks:

None

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by SACRS is included in Note 1 to the financial statement. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during fiscal year 2024. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are typically an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. As the accounting of SACRS is prepared on a cash basis, no estimates are necessary for the preparation of the financial statement.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. We are not aware of any sensitive disclosures affecting SACRS' financial statement.

Significant Unusual Transactions

For purposes of this communication, professional standards require us to communicate to you significant unusual transactions identified during our audit. The following significant unusual transactions identified as a result of our audit procedures were brought to the attention of management:

None

Identified or Suspected Fraud

We have not identified or obtained information that indicates that fraud may have occurred.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statement as a whole and each applicable opinion unit. We did not identify any uncorrected misstatements as a result of our audit procedures.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. See Attachment I for adjustments provided by management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to SACRS' financial statement or the auditor's report. No such disagreements arose during the course of the audit.

Circumstances that Affect the Form and Content of the Auditor's Report

For purposes of this letter, professional standards require that we communicate any circumstances that affect the form and content of our auditor's report. There were no circumstances that affected the form and content of our auditor's report.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated March 11, 2025.

Management's Consultations with Other Accountants

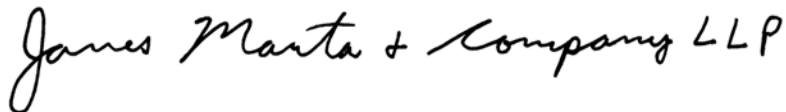

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with SACRS, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as SACRS' auditors.

We are contracted to prepare the fiscal year 2024 federal Return of Organization Exempt From Income Tax, and related state filings, as well as the calendar year Forms 1099-MISC and 1099-NEC for SACRS. These returns will be prepared using audited financial data, where applicable, but our preparation of these returns does not constitute an audit. No audit opinion will be issued on the tax returns referred to above.

This report is intended solely for the information and use of the Board of Directors, and management of State Association of County Retirement Systems and is not intended to be and should not be used by anyone other than these specified parties.
