OTHER PUBLIC PURCHASE-SERVICE VERIFICATION

To be eligible to purchase Other Public Service, you must be a current member of ACERA and an Intent to Purchase form must be on file. Requests must be submitted 30 days prior to your retirement date to allow for sufficient processing. Furthermore, purchases must be paid in full by your retirement date.

Purchasing other public service credit increases your retirement benefit, but does NOT count towards retirement eligibility or vesting requirements. In addition, you **cannot** be eligible for a benefit from the other retirement agency, nor can the service overlap with your ACERA service. Verification of your employment with the other retirement agency is required. Therefore, you must forward this form to the other retirement agency for completion (please see the attachment for a list of addresses).
