

# Connect with a dentist from home with Toothpic!

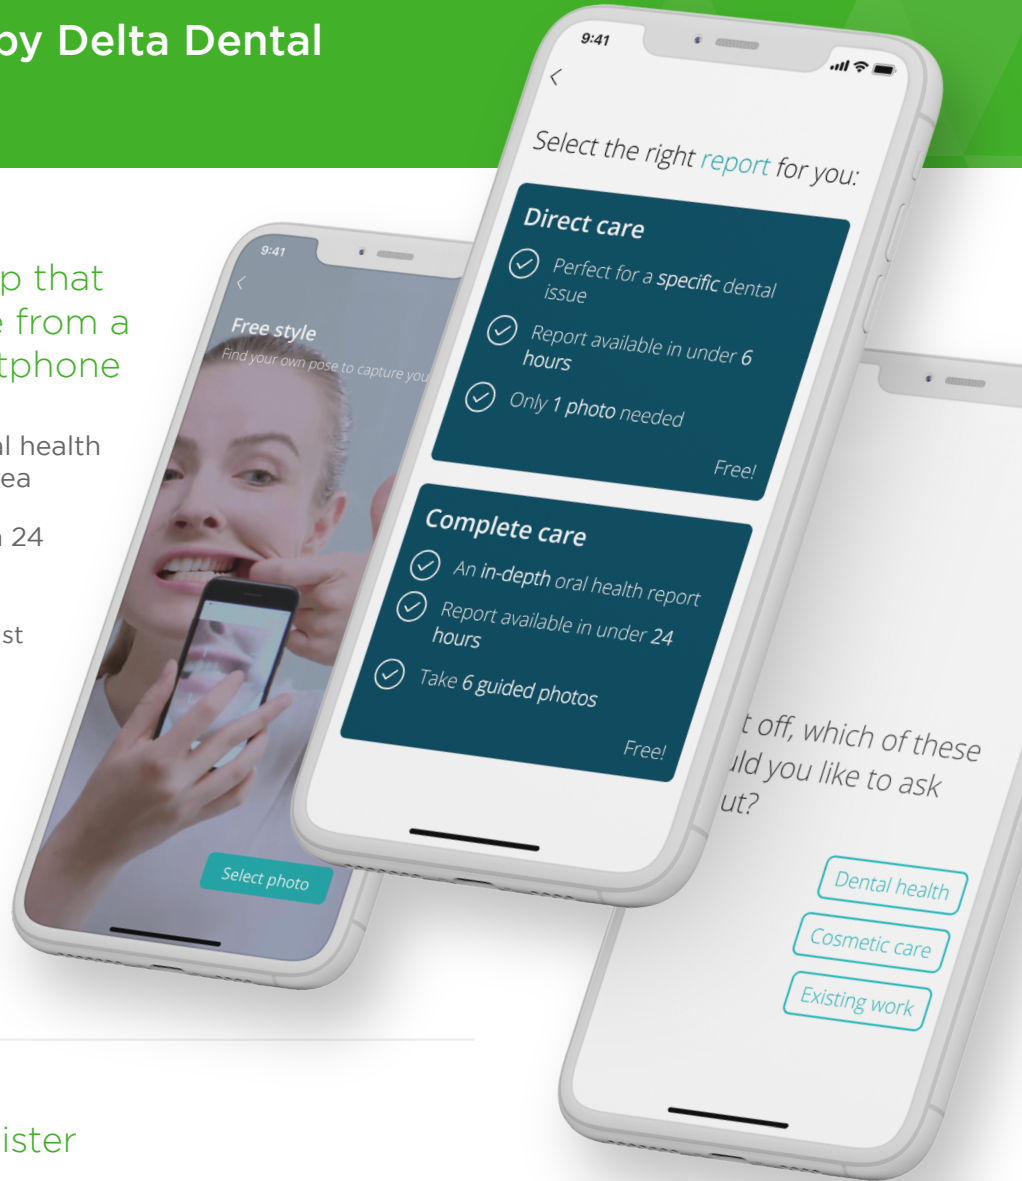

Brought to you for free by Delta Dental

Toothpic is a teledentistry app that gives you professional advice from a dentist, right from your smartphone

Answer a few questions about your oral health and submit a photo of your problem area

Receive a personalized dental report in 24 hours, including:

- ✓ Professional advice from a licensed dentist
- ✓ A review of your photos with issues marked for concern
- ✓ Care and treatment recommendations

## How to register

- 1 Scan this QR code with your smartphone or visit <https://deltadental.toothpic.com/acera>
- 2 Click on Register Now to create an account and download Toothpic
- 3 Open Toothpic and log in to your account to get started!
